

## **Thomas More Catholic School equality objectives are:**

- To promote spiritual, moral, social and cultural development through all appropriate curricular and extra-curricular opportunities. We aim to meet this objective with particular reference to issues of equality and diversity.
- To increase understanding of equality through direct teaching across the curriculum and through citizenship days, tutor time and assemblies.
- To move beyond notions of fixed ability for lower prior attainers and develop teaching and learning strategies to ensure all students 'catch up' and progress in line with their peers.
- To narrow any gaps between boys' and girls' attainment within key groups such as the more able and disadvantaged
- To promote cultural development and understanding through a rich range of experience, both in and beyond the school.
