Summary of results:

The exam hall was a very happy place on the results morning and we would like to take this opportunity to congratulate all our students on achieving a very fine set of grades and in many cases, fulfilling their potential. Indeed, we would like to congratulate all members of our community in recognition of all the hard work and collaboration that has gone into helping students take the next step in their education. We are delighted that so many of our students have achieved their dreams and ambitions in achieving their university places.

There were 100% pass rates in Biology, History, Maths, Physics, and Spanish A Levels. The A Level A*-A result was particularly noteworthy in Chemistry (14%), Maths (33%) and Spanish (50%).
