Year 11 Mock Interview Day

On the 3rd October, Year 11 pupils had a mock interview day where they came dressed in smart attire to experience what an actual interview is like. The day was a success, and ran smoothly. Many pupils were eager but also nervous about how their interviews would go. Pupils were provided with a few practise questions that interviewers were likely to ask so they could prepare.

Here are a few accounts from a few of our fellow Year 11 pupils, they gave us their thoughts on how the day had gone:

Nia Patel (11TOK)

Nia claimed that her interview went very well, the interviewer was nice, made her feel comfortable and gave her some tips to improve. Firstly, she was told that it doesn't hurt to be a bit more active with your hand gestures to show she is passionate and knows what she is talking about. Overall, the CV she gave in was very good and she was praised fully for it. This experience has benefitted her a lot and she recommends this event to younger years because it helps you prepare for the future.

Shanley Byamagero (11TOK)

Shanley's interview went very well. Although he felt pressured and nervous about it, he soon realised he didn't have to be worried as he started becoming more comfortable with the questions. It went better than he thought, which is great to hear. Overall, he would probably rate his experience a 9 out of 10 recommending it to other pupils as well.
