New Friday arrangements

Last Friday's rearranged day so we could finish earlier went perfectly to plan. Pupils were able to get on buses promptly and all the problems of the previous weeks were avoided.

I have decided that we will stick with this rearranged day for the foreseeable future.

The school day will look like this:

Form Time	8:20 – 8:30
Period One	8:30 – 9:20
Period Two	9:20 – 10:10
BREAK	10:10 – 10:30
Period Three	10:30 – 11:20
Period Four	11:20 – 12:10
LUNCH	12:10 - 12:55 Year 7 and 8 – 11:40 Year 10 and 11 – 12:10 Year 9 – 12:30 Sixth Form – corresponding times 11:50 for ten minutes 12:40 for fifteen minutes
Period Five	12:55 – 1:45 Year 7 and 8 to finish at 1:30 Year 9 at 1:40

Remember this is only for Fridays.

I will keep this new plan under review and I will let you know when I feel we can go back to normal.

In the meantime, I hope you and your families are well.

Naa Ayeley's Beauty

Taylah McKenzie (Year 8)

During lockdown this year, Taylah began her own lip-gloss business. She embarked on an enterprise project that came from a need to do something worthwhile during her time away from school. Taylah independently researched the ingredients and cost before designing her own website and Instagram page. The website includes an integrated shopping feature so you can purchase her products online. This is an outstanding success story and a wonderful example of what you really can achieve through dedication and hard work.

Well done Taylah!

"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God."

Philippians 4:6

Maths Challenge

Answer: 24

Explanation: Each answer is obtained by adding together the two numbers and then multiplying their sum by the digit on the left of the sum.
