

SIMS Student App

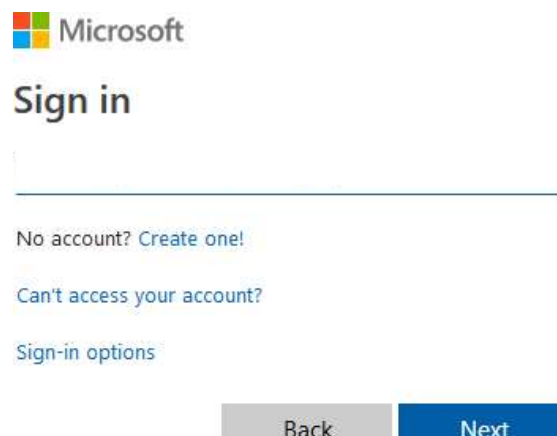

- To sign up for the student app you must click on the **Accept Invitation** link in the email sent to you:

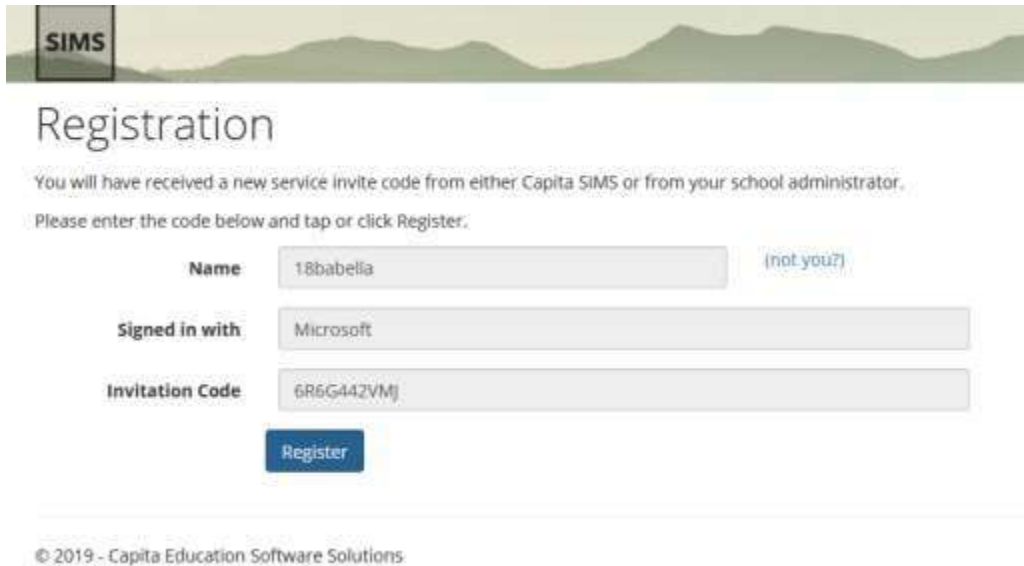

- It will then take you to a site to register your account. You must click the **Sign in with Microsoft** option:

- It will then ask for your email and password to the Microsoft account, just enter your normal email login. For example your email should look like: username@tmore.org.uk then use your normal password that you use to login at school.

- This will then ask you to confirm the details are correct. Ensure the correct name is displayed and then click **Register**:

The screenshot shows the SIMS Registration page. At the top left is the SIMS logo. The main heading is "Registration". Below it, a message states: "You will have received a new service invite code from either Capita SIMS or from your school administrator. Please enter the code below and tap or click Register." There are three input fields: "Name" with the value "18babela" and a "(not you?)" link; "Signed in with" with the value "Microsoft"; and "Invitation Code" with the value "6R6G442VMJ". A blue "Register" button is positioned below the code field. At the bottom, the copyright notice "© 2019 - Capita Education Software Solutions" is visible.

- To ensure everything is correct please enter your date of birth as it shows and click **Verify**

The screenshot shows the SIMS Registration - Answer Security Questions page. At the top left is the SIMS logo. The main heading is "Registration - Answer Security Questions". Below it, a message states: "You are required to provide a second piece of information to confirm your identity." The question is "What is your date of birth? (dd/mm/yyyy)". There is a text input field with the placeholder "Please enter your answer". A blue "Verify" button is positioned below the input field.

- You can then access your personal homepage either via the website.
