

## TMCS Remote Access Instructions

### Disclaimer

- Do **NOT** save anything to the remote computer C: drive – it will be deleted when you logoff.
- Any software changes or programs you install on the remote system will be wiped at logoff.
- All TMCS network use and access policies apply.
- The session will automatically timeout after 15 minutes of inactivity; unsaved work will be lost.
- You **MUST LOG OFF** when you finish working.

1. Go to: [web.tmoreathome.com](http://web.tmoreathome.com)

2. At the login page enter your school network username and password in the **Username and Password** boxes then click Sign in.

3. Once logged in, click on the icon TMCS Remote.

4. Click Allow.

5. You are now connected to a remote computer. This will allow you to work as if you are using a school computer, with the same restrictions on it. All network drives will be available and Staff will be able to print.

6. To correctly log off the TMCS remote access system. Go to bottom left, click on the Windows icon and then click Log off. Do not use any other method to close the session.

If you have any problems email: [itsupport@tmore.org.uk](mailto:itsupport@tmore.org.uk).
