To Care. To Learn. To Achieve

16<sup>th</sup> September 2020

Dear Parents and Carers,

It is that time of year when we begin to look forward to welcoming visitors to our school to show what a wonderful community we have and to share all the good work we do every day.

Sadly, due to the coronavirus guidelines and because of the critical importance of keeping everyone safe, I have decided that this year our Open Evening will be online – a Virtual Open Evening. This will take place on October 6<sup>th</sup> on our school website - <http://www.tmore.org.uk/>

There will be a video of the school that is designed to give you an insight to the school at work; there will be my address as the Headteacher talking about the essential character and opportunity at our school and there will be a chance to submit any queries that you may have.

In the meantime we are extending the opportunity of visiting the school by allowing you to make an appointment to visit us any morning between now and the end of October. You have the chance to see the school in action and hear from me or another member of the senior leadership team. Please book your appointment via [admissions@tmore.org.uk](mailto:admissions@tmore.org.uk)

Choosing your child's secondary school is one of the most important decisions you will ever make and so over the next few weeks we will aspire to give you every possible occasion to see what we have to offer.

Please do also visit our school website to see a selection of the information and an insight into life at Thomas More.

Yours faithfully,

Mr. N. Walters  
Headteacher
