To Care. To Learn. To Achieve

14<sup>th</sup> July 2020

Dear Parents,

I hope you are well going in to the last week of term.

Here is my update for you on how the results days will work in the Summer.

## A Level results

A Level results day will be on the 13<sup>th</sup> August. Students will be able to come in and collect their results from 10am. Social distancing processes will be out in place and we will limit the numbers of students in the Main Hall at any one time with the others queuing outside at an appropriate distance from each other.

Alternately, we are able to email sixth form students their results if they would prefer this and if they let us know in advance. They can let us know by emailing the Head of Sixth Form – Ms L Yost on [lyo@tmore.org.uk](mailto:lyo@tmore.org.uk)

Support will be provided in school for any students who need help or guidance with their university applications and the UCAS process.

Parents will not be able to come into the school but will be able to wait down the hill or on the roads around the school.

I would like to take this opportunity to wish all Year 13s and their families a very good, peaceful and safe summer.

## GCSE results

GCSE results day is the 20<sup>th</sup> August. Students will be able to come in and collect their results from 9:30am. Social distancing processes will be put in place and we will limit the number of students in the Main Hall at any one time with the others queuing outside at an appropriate distance from each other.

There will also be an opportunity to sign up for the Sixth form on the same day if entrance requirements have been met.

Parents will not be able to come into the school but will be able to wait down the hill or on the roads around the school.

I would like to take this opportunity to wish all Year 11s and their families a very good, peaceful and safe summer.

Yours faithfully,

Mr. N. Walters  
Headteacher
